How to describe Oono in one sentence?
'A soft glow of light during golden hour, at the
end of a sky-blue summers day...'

That's one way. But there is more to the
sophisticated Oono than just its gentle
embracing glow. Built in first instance as a
family of exterior products, Oono is a family of
dualities.
It combines elegant looks with a warm diffused
light effect. It couples the sturdy look of metal
with the pureness of glass.
It unifies exterior and interior, as the range
offers IP-rated solutions for outdoor with
straightforward surface mounted and pendant
luminaires for indoors.
It unites a play of straight lines with perfect
circular shapes. It merges black and white, by
adding a touch of gold.
It brings together the shimmer of dusk with the
fresh start of dawn.
